

Download 2015 Prius 3 Owners Manual

The Toyota Prius (/ ˈ p r i ː s /; Japanese:トヨタプリウス Toyota Puriusu) is a full hybrid electric automobile developed by Toyota and manufactured by the company since 1997. Initially offered as a 4-door sedan, it has been produced only as a 5-door liftback since 2003.. The United States Environmental Protection Agency (EPA) and California Air Resources Board (CARB) rate the ...The Toyota Prius c (c stands for "city"), named the Toyota Aqua ("aqua" is Latin for water) in Japan, is a full hybrid gasoline-electric subcompact hatchback manufactured and marketed by Toyota Motor Corporation. The Prius c is the third member of the Prius family, and combines the features of a Yaris-sized car with a hybrid powertrain. The Prius c is priced lower than the conventional Prius and ...Toyota and Scion Owner's Manuals are available for download for the majority of vehicles manufactured in 2008 or later. If available, you can also access the Emergency Response Guide and Dismantling Manual for your vehicle*. The video above shows you how to replace the battery in your 2012 Toyota Prius C. We recommend changing the battery in Toyotas every 4 years. Although some batteries last much longer, most batteries begin breaking down chemically after four years, so you could experience dimmer headlights and other negative effects before you have a dead battery in your Prius C that you need to replace.
